

Angel Boy

I never got chance to hold you
Or stroke your baby face,
Your tiny body cold and still
You'd vanished without a trace.

You were so small so tiny
A perfect little boy.
But what I didn't know back then
You were the Angel's boy.

Son my heart went with you
When God took you for his own,
Without you life was incomplete
You left me on my own.

By now my son you'd be a man
Children maybe of your own,
But still my heart weeps for you
Unlike your form my love for you has grown.

I celebrate each birthday
And count them year by year,
I feel your presence sometimes
And whisper a silent cheer.

I know you did not leave me
You were just too good to stay,
The Angels wanted to care for you
So they took you to heaven to play.

You will always be remembered
And in my heart you'll stay
Until the day I come to pass
And the Angels let me stay.

Goodnight God Bless, my little boy,
My love for you goes on
And in my heart of hearts
You, my love will never be gone.

Love Mam.
